

## Automated Fresh Brew

# COFU COFFEE OF THE FUTURE

Premium Barista-Quality Coffees. Without a Barista.

Add your own fully automated coffee shop in just five feet of space. COFU brews fresh, customizable coffee, lattes, cold brew, espressos, and more — all without the need for a barista. **Premium quality and variety, automatic cleaning, minimal labor, and maximum profitability** ... and premium coffees brewed fresh at the touch of a screen.

### A Complete Automated Coffee Shop

COFU brings the future of coffee to you — seamlessly, effortlessly, and with zero staffing headaches.

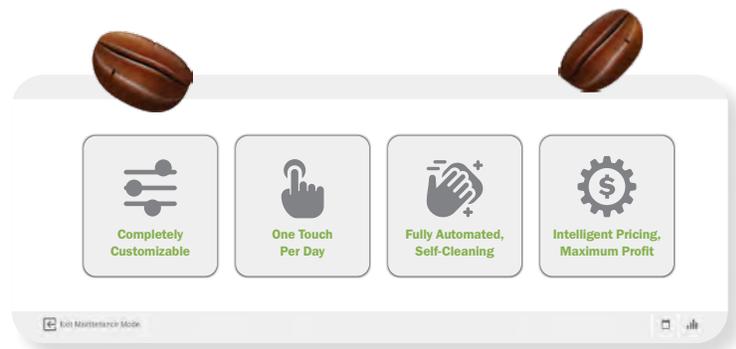

### Every Cup Brewed Fresh

COFU uses fresh beans and ingredients for every order — delivering coffee, lattes, cold brew, espressos, and more — with unmatched quality.

### Completely Customizable

With an intuitive touchscreen interface, customers can personalize their drinks. Extra shot? Check. Hot or iced? You got it. Flavors? Of course.

Customers love it because it's their coffee, their way — without slowing them down. You'll love it because it doesn't slow down your operations ... or sell coffee for less than it's worth.

**Cut Costs. Save Time. Brew Better.**

# COFU COFFEE OF THE FUTURE

Premium Barista-Quality Coffees. Without a Barista.

### One Touch Per Day

High-capacity storage means COFU keeps brewing while you focus on business. Restock later, not during the rush.

### Fully Automated, Self-Cleaning

Say goodbye to time-consuming, manual cleaning. COFU's advanced one-step self-cleaning system ditches costly maintenance and training, allowing your employees to focus on customer service. It's the ultimate in *set-it* and *forget-it* convenience.

### Intelligent Pricing, Maximum Profit

Charge for what they choose. Offer premium, customize pricing strategies to boost your bottom line, and make sure every customer pays for what they ordered, thanks to the custom bar code on every cup.
